## Mocktails

|                                                                                |    |
|--------------------------------------------------------------------------------|----|
| Lychee Lemonade .....                                                          | 16 |
| Lychee Purée, Fresh Lemon Juice, Soda Water                                    |    |
| Bright, floral, and refreshing — like the Lychee Martini, but alcohol-free     |    |
| Passion Fizz.....                                                              | 17 |
| Passion Fruit Purée, Fresh Lime Juice, Agave, Soda Water                       |    |
| Tropical and zesty — mirrors the Courtside Passion cocktail, minus the tequila |    |
| Espresso Tonic .....                                                           | 17 |
| Cold Brew Concentrate, Tonic Water, Orange Peel                                |    |
| A bold, bittersweet pick-me-up — similar energy to the Espresso Martini        |    |

|                                       |    |
